Remarks

Great Chandler Home in a well established neighborhood with NO HOA! Sellers willing to offer \$8, 000 credit (with acceptable offer) to help new buyer make this home their own. This 3/2 home has enclosed sunroom with extra bonus room that can be used as a 4th bedroom or office. Formal living/dining room has double doors, leading to kitchen & family room. Plenty of space in this home for entertaining and/or just everyday living. Ceiling fans in all rooms; Master bath has dual sinks, separate walk-in shower, and jetted soaking tub. Top-of-the-line a/c, water softener AND full home water filtering system. Very desirable area near INTEL, Chandler Mall, 202 & I-10 Freeway access.
